### Credit and Security Agreement

1. This Credit and Security agreement, (the "agreement") is between \_\_\_\_\_ ("Customer") and CTE Warehousing. This agreement is applicable for transportation related services and is subject to approval by CTE Warehousing.
2. Customer shall remain absolutely responsible and unconditionally liable for all payments due by Customer to CTE Warehousing pursuant to this agreement, and guarantees payment of all such amounts. Customer recognizes that the issuance of any Bill of Lading marked "Prepaid" or "Freight Prepaid" shall not be a representation or acknowledgement by CTE Warehousing that such freight has in fact been paid.
3. The credit granted to Customer ("Credit"), as set forth on the Credit Application, which is made a part of this agreement, may consist of an extension of time in which to pay invoices, or a credit limit, or both. Customer guarantees payment of all charges when due pursuant to the Credit. Any overdue amounts past "60 Days" of actual invoice date shall be assessed interest charges in the amount of 3.5% per month or the highest amount chargeable per applicable statute, whichever is lower. Customer shall pay CTE Warehousing all costs and fees it incurs in collecting any amounts owed.
4. Credit privileges may be suspended for any failure to comply with this agreement. If customer fails to perform any obligation under this agreement or any tariff, Bill of Lading, or contract with CTE Warehousing, CTE Warehousing may terminate this agreement without demand or notice; require that all amounts owed become immediately due and payable; Bills of Lading marked "Prepaid" or "Freight Prepaid" even though cargo was booked; and exercise any other right or remedy available under law. Customer acknowledges that it has read and understands CTE Warehousing's Bill of Lading terms and conditions, a copy of which has been provided to Customer.
5. Nothing herein contained shall preclude CTE Warehousing from exercising absolute discretion to refuse to extend credit or the right, where credit has been extended, to demand and collect payment of all charges prior to a shipment's departure from CTE Warehousing. Non-compliance with any provision of this Agreement may, in CTE Warehousing's sole discretion, result in immediate cancellation of all credit privileges extended under the Credit Application and this agreement.
6. The invalidity or unenforceability of any provision of this Agreement shall not affect any other provision hereof. This Agreement may be executed by telecopy with the same legal effect as if executed in person. All disputes pertaining to this Agreement shall be resolved in the Pierce County District Court of Washington pursuant to Washington State Law (except for its conflict of law principles) and both parties consent to the jurisdiction of that court over them.

I, the undersigned \_\_\_\_\_ of \_\_\_\_\_ hereby declare the above information to be true and correct for the purposes of obtaining credit with CTE Warehousing and also undertake and agree to all terms and conditions set forth above.
